Final

After a hard-working week...

Your team did its best during the qualification stage. During more than a week, you fought against time, against difficulty, against competition... Firstly, we wanted to thank you for your participation and implication on our challenges. Without waiting any longer, I have the pleasure to tell you that :

Your team 42sh is selected for the final !

Don't forget to give us feedback on the qualification phase by filling in this form:
https://framaforms.org/qualifications-hackday-2023-1679060293

Organization

Well done, you can be proud of you ! Let's not wait any time : confirmed quickly your presence ! Indeed, if your team can't make it to the final, we will offer the spot to the next one in line. So for those close to reach the necessary ranking : please confirm that your team will be there as quickly as possible by answering this email.

The final is coming soon and we can't wait to meet you during the weekend of the 12th and 13th May 2023. Below you will find some information about the process and the organization of this event.

Arrival

We will be present at 4pm to welcome you. A stand will be there to register your presence and to give you your badge and goodies. During this time, a free cocktail will be offered.

Competition

On site, each team will have a dedicated space, equipped with electrical outlets and RJ45 cables for network connection. A wifi connection will also be available, but please use a wired connection for

your computers during the competition. Make sure you have an RJ45-
USB adapter if your PC does not have a network socket.

Restoration

We will offer you some easy and warming food throughout the day
(meal content to be announced soon).
It will also be possible to bring your own food in case your diet is not
compatible with the menu we propose.
A number of restaurants and fast food outlets are available in front of
the school for those with a sweet tooth.
Outside the catering hours, snacks and drinks will be available for
purchase throughout the competition.

Resting

Showers and changing rooms will be available for you during these 24 hours of competition.
Numerous equipped relaxation areas will be at your disposal. It will be possible to sleep and/or rest in a
common room with comfortable seats for a better comfort. Do not hesitate to bring something to make you
more comfortable (pillow, duvet...)

Rewards

The prizing ceremony will take place the Saturday at 6pm during the closing speech.
Awards for this edition are :

- 1st team : 500€ of gift cards, goodies and RootMe Premium subscriptions
- 2nd team : 300€ of gift cards, goodies and RootMe Premium subscriptions
- 3e team : 200€ of gift cards, goodies and 50% off on RootMe Premium subscriptions
- 4e à 10e teams : goodies and 25% off on RootMe Premium subscriptions

---

Conferences

All day during the 12th May, come see conferences
presented to you by cybersecurity experts, a unique
opportunity to exchange with them.
Open to everyone on reservation, more information
and planning on our website and soon on our
Instagram.

Access to the planning

Access

You can reach ESIEE Paris by several means :

- Via the A4 highway exit n°10 " Cité Descartes ". The entrance to the school and the parking lot is located at 28 Av. André Marie Ampère, 77420 Champs-sur-Marne.
- Via the RER A station " Noisy-Champs ". ESIEE Paris is located 20 minutes from the centre of Paris, and 15 minutes from the Marne-la-Vallée Chessy TGV station via the same line.
